

## ACSA Webinar presenter Dr Jane Hunter

### BIOGRAPHY

Jane is a former primary and secondary school head teacher. Her research focuses on the pedagogical framework of *High Possibility Classrooms* (HPC) and building teacher capacity in technology enhanced learning with curriculum; in 2019 the HPC research was awarded HIGH impact by the Australian Research Council in the Engagement and Impact Assessment. She leads transformative change in schools through practitioner research in negotiated and structured short & long-term studies. An award-winning teacher in three Australian universities, follow her on Twitter [@janehunter01](https://twitter.com/janehunter01).
