

ACSA Webinar presenter Raeanne Gulic

BIOGRAPHY

Raeanne is the Assistant Principal at Fairy Meadow Demonstration School in Wollongong. Raeanne has undertaken extensive work in Canada researching loose parts and materials and storyworkshop.

In 2020 our school was named as 1 of 50 Top Innovative Schools across Australia by The Educator. Only 11/50 schools were from NSW. The award recognises the work Raeanne has done in loose parts and our continuing journey to create curious self-directed learners.
